

2016 Symposium Agenda

Time	Description
8:00 – 8:30am	Registration
8:30 – 9:00am	<u>Welcome to the journey: Overview of OHDSI past, present, future</u> <ul style="list-style-type: none">• Speaker: George Hripcsak MD, MS, Chair of the Department of Biomedical Informatics at Columbia University Medical Center
9:00 - 12:15pm	<u>OHDSI's journey toward reliable evidence generation and dissemination</u> <i>The journey toward Clinical Characterization</i> <ul style="list-style-type: none">• Speaker: Patrick Ryan PhD, Senior Director and Head, Epidemiology Analytics, Janssen Research and Development; Adjunct Assistant Professor, Biomedical Informatics, Columbia University <i>The journey toward Patient-Level Prediction</i> <ul style="list-style-type: none">• Speaker: Peter Rijnbeek PhD, Assistant Professor in Medical Informatics, Erasmus University Medical Center <i>The journey toward Population-level Effect Estimation</i> <ul style="list-style-type: none">• Speaker: Martijn Schuemie PhD, Director and Scientific Fellow, Epidemiology Analytics, Janssen Research and Development <i>*After the first presentation, we will take a short break. Coffee will be provided.</i>
12:15 – 12:45pm	Lunch
12:45 – 2:45pm	<u>OHDSI Collaborator Showcase: Sharing the journey across the community</u> Poster presentations and open-source software demonstrations from OHDSI collaborators in the areas of: <ul style="list-style-type: none">• Observational data management• Analytics technology and infrastructure• Methodological research• Clinical applications in clinical characterization, population-level effect estimation, and patient-level prediction

<p>2:45 – 3:45pm</p>	<p><u>Community Panel: Where are we on the journey right now? How did we get here?</u> <i>Moderator:</i> Kristin Feeney MPH, Senior Consultant, Translational Research & Real World Evidence, Deloitte Consulting LLP</p> <p>Panelists:</p> <ul style="list-style-type: none"> • Stephanie Reisinger President & General Manager, Evalytica (Evidera) • Michael Matheny MD, MPH, MS, Assistant Professor of Biomedical Informatics, Vanderbilt University • Rae Woong Park MD, PhD, Professor, Ajou University School of Medicine, South Korea • Christian Reich MD, PhD, Vice President of Real World Evidence Systems, IMS Health • Adler Perotte MD, MA, Assistant Professor, Department of Biomedical Informatics, Columbia University
<p>3:45 – 4:00pm</p>	<p>Break</p>
<p>4:00 – 5:00pm</p>	<p><u>Reaction Panel: What is our journey’s destination? How do we get there?</u> <i>Moderator:</i> Jon Duke MD, MS Director, Center for Health Analytics and Informatics, Georgia Tech</p> <p><i>Panelists:</i></p> <ul style="list-style-type: none"> • Jianying Hu PhD, Program Director, Center for Computational Health, IBM T. J. Watson Research Center • Kristijan Kahler RPh, PhD, Head, Outcomes Evidence & Analytics; CoE for Real World Evidence, Novartis • Charles Bailey MD, PhD, Assistant Professor in Pediatrics, Children’s Hospital of Philadelphia • Nigam Shah MBBS, PhD, Associate Professor of Medicine (Biomedical Informatics), Stanford University • Danica Marinac-Dabic MD, PhD, MMSc, FISPE, Director, Division of Epidemiology, US Food and Drug Administration
<p>5:00 – 5:30pm</p>	<p><u>Oh, the places we’ll go!</u></p> <ul style="list-style-type: none"> • Speaker: Patrick Ryan, PhD, Senior Director and Head, Epidemiology Analytics, Janssen Research and Development, Adjunct Assistant Professor, Biomedical Informatics, Columbia University
