IMPROVE
COMMUNICATION ACROSS
SOFTWARE PROJECTS

MEASURE THE HEALTH AND
MATURITY OF OHDSI
SOFTWARE PROJECTS

Why should you join?

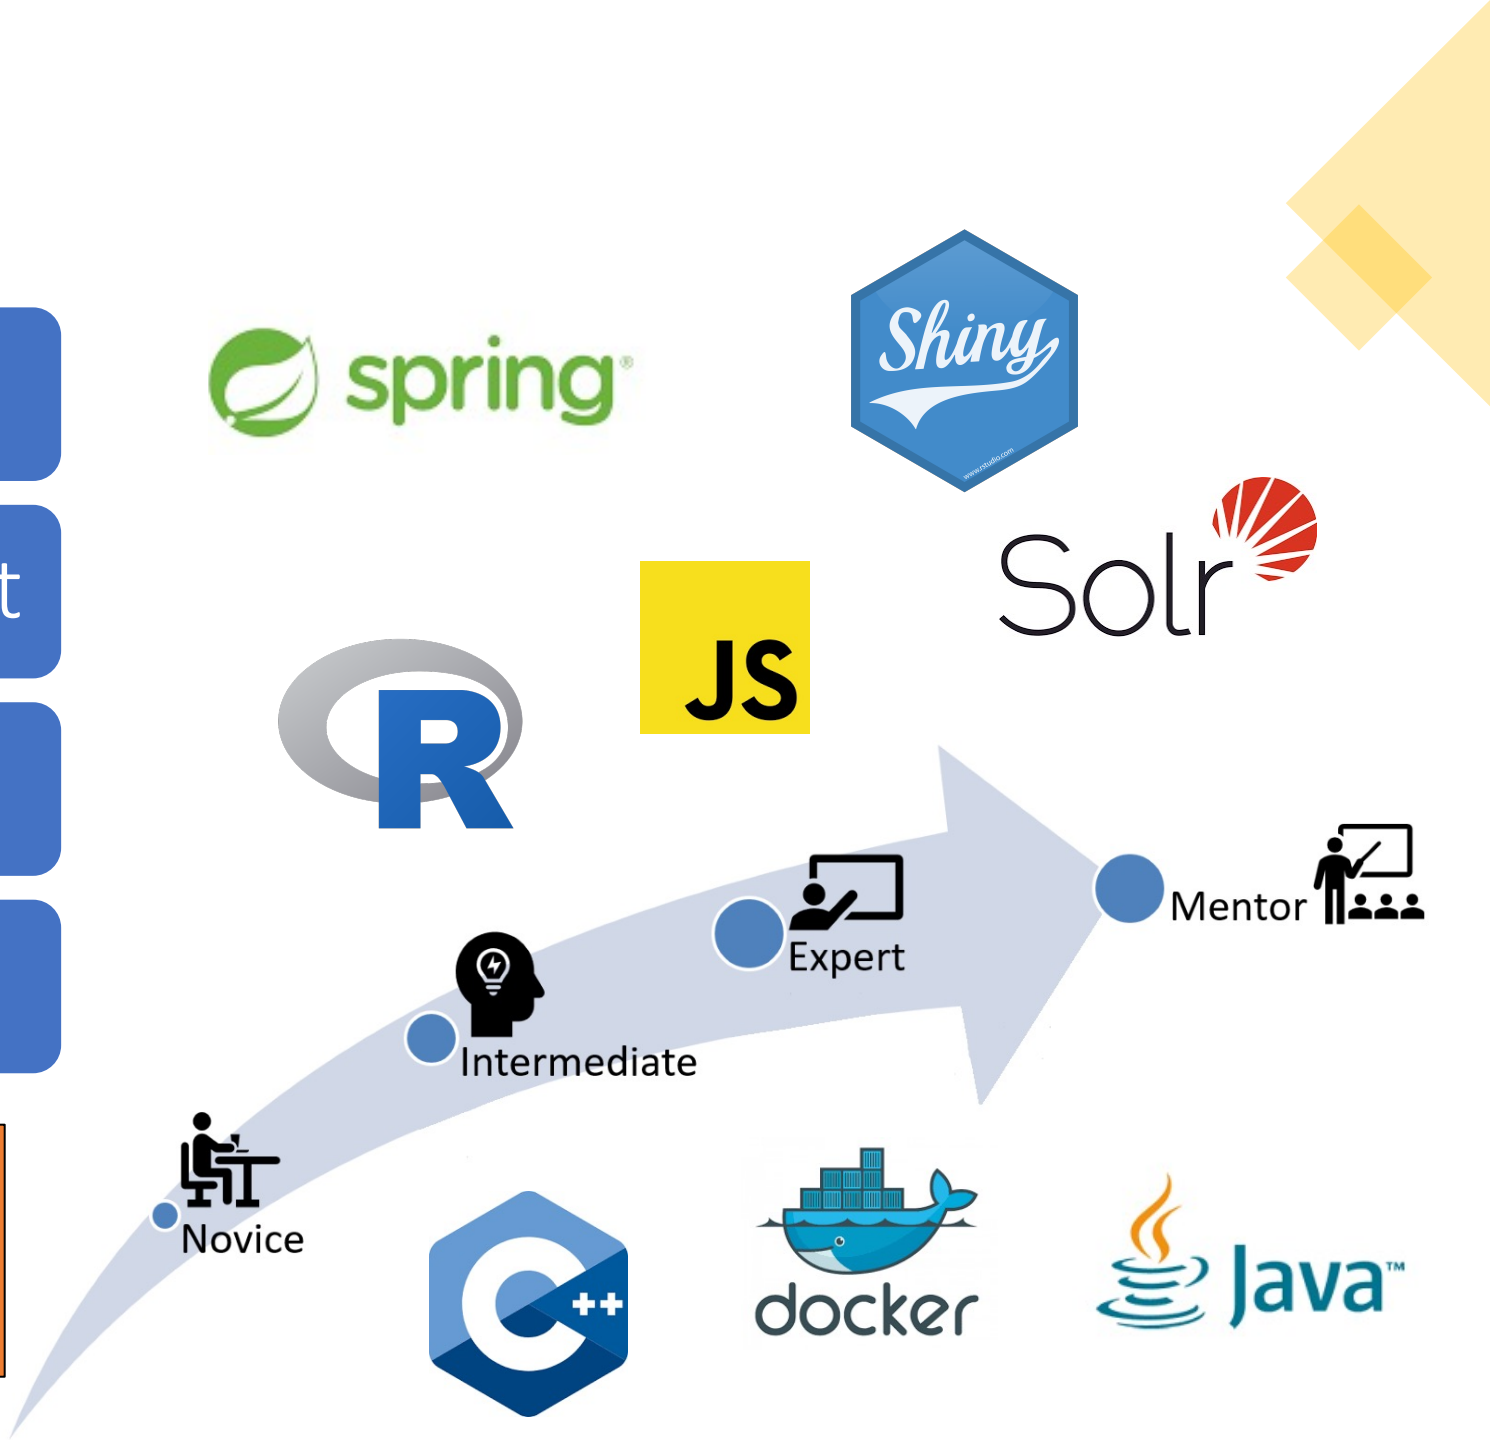

Learn a new technology

Professional Development

Make a difference

Have fun!

Is your project ready to be part of the core stack and deployed with every installation?

Q1 2022 Key Results

- Create a series of screencasts on how to participate in OHDSI software development
- Host a virtual OHDSI developer conference in April
- Create key metrics on the health and maturity of OHDSI software projects

How to join

First meeting Feb 9 11am ET

Bring ideas for metrics and
OHDSI developer conference
