

Steering Committee Working Group Update

Steering Committee

OHDSI's Mission: To improve health by empowering a community to collaboratively generate the evidence that promotes better health decisions and better care.

- Provide support to the OHDSI community
- Strategically promote collaboration across workgroups/chapters
- Planning of events – symposiums, hackathon, etc.
- Meet every Friday: 11:30AM– 12:30 PM EST (recordings are available)
- Come join us; anyone can join

Objective

Enable the community to collaboratively generate evidence and scientific work products necessary to generate evidence.

Key Results

Quarter 1

1. 100% workgroups/chapters define OKRs
 - Transparently communicate activities
 - Encourage collaboration
2. Convene a leadership summit
 - encourage communication across collaboratives
 - relationships amongst workgroups
 - Connect with each other and enable collaboration
3. Develop and release OHDSI community dashboard
 - Monitoring the health and progress of our community
 - Understanding OHDSI's impact in the field of computational/ observational research
4. Produce a document to communicate connections between workgroups and partnerships with other organizations and initiatives

Updates

- Define OKRs
 - Most workgroups/chapters have defined OKRs (23 out of 26)
 - <https://ohdsi.org/ohdsi-workgroups/>
- Leadership summit
 - Align community under shared mission and provide guidance
 - Recording available at <https://youtu.be/D0vCLZmM8yw>

Updates

- Community Dashboard
 - Prototype will be developed and tested
- Communicating WG connections with each other and partnerships with others
 - WG coordination document that describes functional relationships to one another

Next Steps

- Community feedback regarding leadership summit and efforts to develop OKRs
 - Has this been impactful
 - How can we continue to support workgroups/chapters
 - Resources most helpful to workgroup leads
 - Convene second leadership summit
 - Liaisons for each WGs
 - Maybe from the steering committee or someone from the WG interested in joining
 - Ensure that WG needs are met
 - Open working group, come join us, we are developing Q2 OKRs
-
