I don't want a lot for health care,
OHDSI is all I need.

I don't care about the presence
Of non-standard tools in Broadsea.

I just want it for my own,
More than you could ever know.

Make my wish come true,
All I want for health is OHDSI.

I don't need to code my package,
now that I've got Strategus.

Patrick won't make me happy
With a closing on Symposium day.

I just want to join the cause,
To improve health without a pause.

What more can I do?
Oh, all I want for health is OHDSI.

'Cause I just want data here tonight,
Holding insights tight.
What more can I do?
Baby, all I want for health is OHDSI.

Oh, I don't want a lot for health care,
This is all I'm asking for.
I just want to see the world healthy,
Right outside my door.
