How do I change or cancel my registration tickets?

Upon registration completion you received an Eventbrite confirmation email. On that email it states, “view and manage” your order online. After you click this link, it will take you to Eventbrite where you can either create an account or log into your existing account. Once you are on the Eventbrite website, please click on the event name and then EDIT (on the upper right side) and make your changes; click SAVE at the bottom of the page.

You may cancel your registration tickets up to 7 days prior to the event’s start date. You may log into your Eventbrite account and click “Request a Refund” on the left side of the page. You will receive a cancellation email from Eventbrite; please note that Eventbrite fees are not refundable. You may change your workgroup activity (based upon availability) by logging back into your account and changing your selection. Please remember to SAVE your changes. If you need to change your registration ticket package, you may log into your Eventbrite account and click on “Change Ticket” on the upper right side. After you click change ticket, you will select “Change Ticket Type” and Eventbrite will either credit or add additional fees to your new ticket package.
