

FHIR to OMOP WG OKRs

Mission:

To foster a collaboration between OHDSI and HL7 including technical data tools that advance the missions of both organizations.

Leads:

Davera Gabriel (Evidentli), Jean Duteau (Dogwood Consulting), Guy Tsafnat (Echidna Systems)

OKRs for 2026

1.

Progress HL7 Vulcan FHIR to OMOP IG from present balloted "Informative" level to "Standard for Trial Use (STU) within September 2026 balloting window

2.

Build on strong ties with HL7 Vulcan (HL7's research accelerator) to bring the communities closer together

3.

Improve OHDSI community engagement through WG meetings, community calls, presentations, symposia and tool uptake.
